Patty Bactad

PERSONAL SUMMARY

Former Senior Information Security Engineer with 8 years of experience in Cybersecurity, proficient in security incident investigation, network protection, and fraud detection. Now transitioning into Graphic Design and Web Development, I am passionate about combining my technical expertise with creative problem-solving. Currently completing my education in Graphic Design, I bring a unique blend of analytical thinking and artistic vision to digital design. With a keen eye for aesthetics and a strong foundation in security, I aim to create innovative, visually compelling, and secure digital experiences.

CORE COMPETENCIES

- Web Design and Development
- Graphic Design
- Adobe Creative Cloud apps: Illustrator, Photoshop, and InDesign
- UI/UX Design
- Computer Forensics
- Code debugging/troubleshooting
